**Date:** Sept 17, 2012

*Don't forget to check out our OPI web page weekly for updates and information.*

### **Current Events:**

#### **Lights on Afterschool is Schedule for Oct. 18<sup>th</sup>**

- You do not have to have your event on the 18<sup>th</sup>.
- Denise Juneau would like to visit your Lights on Afterschool event. Please e-mail your events to Mary Ellen Earnhardt, and she will forward the information to Billie LeDeau, Denise's assistant.
- At the summer conference, there was a round-table discussion about Lights on After School; the brainstormed ideas are on the attached PDF, thanks to Laura Henderson.
- Check out the Program Highlights section below for more Lights on Afterschool information.

#### **YOUTH DAYS:**

Please look at the poster below for Youth Days. This event is sponsored by MBI and is free to all junior high and high school students. MBI will pay for transportation, lodging and food. Please consider taking youth to this event.

### **Reporting Updates**

Please view the first OSTLMS Webinar, located on the 21<sup>st</sup> CCLC website, that is the first in a series of 5 fall webinars on setting up your site and center information.

**Next webinar will focus on Adding/Updating Students in the system. It will be on October 3, 2012 at 9:00 AM.** Amanda will send out login information the Monday before the webinar.

Please review the reporting timeline and enter data by each deadline. A copy of timeline is on the 21<sup>st</sup> CCLC website under "Reporting".

## ***Program Highlights***

### **Troy**

Troy had a GREAT first week ending with a farmer's market (homemade jam and zucchini bread included!) We partnered with our 4H club to make 25 birdhouses with kids for our City Christmas Tree. Our next market is scheduled for the 28th - the kids will paint the birdhouses and be recognized by the City Council for their contribution.
